BECOME A HOSPICE VOLUNTEER
Touch the life of someone in need

HOSPICE IS A SPECIAL KIND OF CARE
designed to meet the physical, social and spiritual needs of individuals who are in the final stages of life’s journey.

Avera@Home enhances the quality of life for these patients and their families, but we would not be able to provide such a wide range of services without the help of dedicated volunteers.

Nationwide, more than 150,000 hospice volunteers provide over 16 million hours of service each year to individuals with terminal illness and to their families.

As a hospice volunteer at Avera@Home, you can choose from a variety of areas in which to work.

Home Care and Facility Care
• Support patients and families with home visits
• Provide welcome respite for caregivers by spending time with the patient
• Adopt a facility; become the volunteer for our hospice patients there
• Become a Friendly Caller to those who need a calm, cheerful telephone companion
• Assist with meal preparation, light housekeeping, errands

Bereavement
• Make personal visits and phone calls to survivors during the year following the loss of their loved one

General
• Assist with hospice memorial services
• Participate in special projects, such as fundraisers
• Represent hospice in the community
• Provide administrative support in one of our offices

Becoming a Volunteer
