

Introducing a new:  
Sioux Falls, South Dakota

## Chronic Kidney Disease (CKD) and Kidney Transplant Support Group

Formed and hosted by South Dakota National Kidney Foundation (NKF) Board Members: Kay Nordlie, Joann Sullivan and Gene Dickey, this support group is for people, their friends and family, recently diagnosed with CKD, have been living with CKD, are grieving the loss of someone from CKD, are on dialysis, are facing a transplant or have recently had a transplant.

Meetings will be held the first Thursday of every month. Each month, group hosts will introduce a topic and/or an activity for the group to discuss or participate in. Speakers may also be introduced to speak to the group on topics which concern their health and well-being.

The first meeting will be held November 3rd at 7:00 PM at the Downtown Sioux Falls Library. Other locations will be determined by topics or meeting agendas (for example, a discussion on diet may take place at a professional kitchen for a cooking demonstration).

For information, or to register for the first meeting, please contact:
