

HeartSmart – A WISE CHOICE FOR YOUR HEART AND YOUR BUDGET.

A COMPREHENSIVE HEART SCREENING FOR THE EARLY DETECTION OF CARDIOVASCULAR RISK AND AN OPPORTUNITY FOR DISEASE PREVENTION.

\$50 SCREENING INCLUDES:

- Calcium Score CT Exam – advanced technology for detection of heart disease
- Blood Pressure Check
- Body Mass Index Check (BMI)
- Total Cholesterol, HDL, LDL, Triglycerides (blood draw, more accurate than a finger stick - fasting recommended.)
- Glucose Screening
- Education and Risk Assessment
- Information about Wellness Services
- Results will be mailed to you and a nurse will give you a follow-up call.

To schedule your HeartSmart appointment, call (605) 622-5556.

HEART SCREENING ONLY \$50

RIGHT HERE IN ABERDEEN.

Heart Smart

This special screening is a joint effort of **Avera St. Luke's Hospital** and **Avera Medical Group Cardiovascular Specialists**, cardiologists who are providing the oversight and review of the screening results. Advancing Aberdeen's heart care ... **Look no further.**
