Thank you for making a difference in the lives of patients and families in the community. You are the generous partners who further our healing ministry through our Gospel values of compassion, hospitality and stewardship. Read first-hand the impact your gifts have made to patients and families in the community.

Compassion

From the patient’s perspective, a cancer diagnosis is difficult and even overwhelming. A navigator is that person who comes alongside patients and their families, to help guide them through the process of diagnosis, treatment and survivorship. Through your generous contributions, our highly skilled navigators offer a constant presence for the patient and family throughout the cancer care journey.

Hospitality

There’s nothing more valuable than having peace of mind and being completely confident you are cared for in a safe and secure environment. Because of supporters like you, vital enhancements have allowed us to further our mission of providing the highest quality of care empowered by Christian values at Avera Prince of Peace.

Stewardship

This past year, your gifts have assisted countless patients and families through programs and services supported by your generosity. Our major events raised more than a half-million dollars. We are proud to allocate 100 percent of those proceeds to directly benefit patients and families. Additionally, your commitment through planned gifts, capital projects and various fundraising campaigns have raised more than $5 million to support vital programs, state-of-the-art technology and enhanced patient care. Your gifts further our mission. Thank you for supporting the Avera McKennan Foundation.
We would like to cordially welcome our new board members to the Avera McKennan Foundation Board of Directors.

Residents, staff and community supporters have been anxiously waiting as the new facility located on the Avera Prince of Peace campus takes shape. Thank you to all those who made this state-of-the-art project become a reality. After nearly two years of fundraising, the foundation is proud to have raised more than $3 million to support such amenities as private resident rooms, expanded dining areas and a “main street” concept.

Inspired by the Catholic Diocese of Sioux Falls, Avera Prince of Peace opened its doors in 1986 to meet an emerging need. Over the years, much-needed enhancements and facility requirements have created a growing demand for a new, updated facility. In 2013, Avera McKennan began the $24.7 million construction project which also includes 90 private skilled nursing rooms, various services and gathering areas for residents and families, new kitchen facilities to accommodate independent living, updated rehabilitation equipment and direct access to Dougherty Hospice House.

“Thank you to all the supporters who helped make this new facility a reality. As the administrator, I see and hear first-hand how important privacy and personal space are to residents and family members. Because of gifts from the community, we’re able to make the necessary improvements for both current and future residents.”

Another highly anticipated part of the project is the enlarged and centralized Sacred Heart Chapel. Dedicated in honor of the late Jeremiah Murphy, a long-time supporter of Avera McKennan, the new chapel has direct access to both Avera Prince of Peace and Dougherty Hospice House. Thanks to a matching gift, numerous supporters made contributions to honor Murphy and further the mission of Avera McKennan.

As residents and staff prepare to move, the foundation thanks all those who’ve shown their support through the Caring for Community Campaign for Avera Prince of Peace. Through gifts from partners like you, residents will have a full range of quality lifestyle options, tailored to meet individual needs. Your support makes this type of compassionate care possible.

A Legacy of Caring

One-Hundred for 100: Gratitude for Giving Continues into Second Century

Even though it’s been more than a century since Helen McKennan made her initial gift to build what’s now known as Avera McKennan, her legacy and spirit of philanthropy continue to be strengthened thanks to a new generation of givers. To honor those who have followed in her footsteps, the Avera McKennan Foundation launched its One-Hundred for 100 Planned Giving campaign. We are proud and thankful for the number of supporters who have joined Helen McKennan by ensuring quality health care is available to all in the community.

Thank you to this group of dedicated supporters.

2013-2014 ANNUAL REPORT
**Little Grapes**
Add Meaning to the Evening

"Thank you for the fun times I get to spend with my family."

"Thank you for getting me back on my bike after I had my accident."

"Thank you for the ability to still watch my favorite movies."

"Thank you for the fun times I get to spend with my family."

These are all words that describe the young group of pediatric patients selected to represent the need for gifts at the 2014 Big Grape: Next Generation. Thank you to these tiny troopers for sharing their stories and to all the volunteers, community supporters, sponsors and guests for supporting The Big Grape. Through your gifts, children and families in our community are directly impacted. Let’s raise a glass to this year’s “little grapes,” as they continue their journey to better health, and thank you to the dedicated caregivers at Avera Children’s. Get to know them better by visiting TheBigGrape.org.

"Thank you for the fun times I get to spend with my family."

Compassion
Swings into Action!
Annual Golf Tournament Supports Local Cancer Patients

Thank you to our grateful golfers for taking a swing at curing cancer on Wednesday, Sept. 11 for the Compassion in Action Golf Tournament. Because of supporters like you, more than $15,000 was raised to help patients and families at the Avera Cancer Institute!

Compassion In Action was created to raise funds to support patients and families battling blood disorder cancers with financial assistance for additional expenses associated with their illness. Working with the Avera McKennan Foundation in Sioux Falls, S.D., two families affected by leukemia and lymphoma created this fund as a way to give back and to provide others with an avenue to help those in need.
A HOLIDAY OF CARING

Spreading Christmas Cheer

Thank you to our loyal community partners and Avera McKennan employees for spreading Christmas cheer through the Avera McKennan Foundation’s Holiday of Caring.

From sponsoring gifts and meals for families in need to purchasing needed items from a “Giving Tree,” your gifts and dollars directly support patients and families at Avera. Thank you for delivering our mission into the hearts and homes of many.

The 2014 HeARTS in Healing fundraiser held on Feb. 1 was a canvas for giving as guests gathered to raise more than $68,000 to support the Art in Healing Program and patient/navigation services at Avera Behavioral Health Center. A “heARTfelt” thank you to our generous sponsors, artists, volunteers and guests for making this event a success.
Creating a lasting legacy by making a planned gift to support the healing mission at Avera McKennan is a great way to demonstrate your commitment to the community.

To better serve our loyal donors and future givers, the Avera McKennan Foundation is proud to have partnered with PhilanthroCorp, an estate planning service. This process will assist planning and carefully work with you to create your legacy and giving goals. Services are confidential and free of charge.

Thank you to those who have already named Avera McKennan in their will or estate plan.

If you are interested in joining this group of givers, or would like more information on the PhilanthroCorp process, please call the Avera McKennan Foundation at 605-322-8900 or visit us online at AveraMcKennanFoundation.org.
If you wish to have your name removed from the mailing list or to receive fundraising requests supporting Avera McKennan Hospital & University Health Center, please call 605-322-8900, email Foundation@Mckennan.org, or write to the Avera McKennan Foundation at 1325 S. Cliff Ave., Sioux Falls, SD 57105.
