COVID-19 – Avera Prince of Peace In-Room Visitation Guidelines

This applies to all visits.

** DISCLAIMER: These guidelines are subject to change at any time **

1. Visitors will self-screen at entrance including:
   a. Temp check
   b. Sign in
   c. Get a visitor sticker
2. Visitors should wear their mask at all times regardless of vaccination status.
3. Visitors should social distance if either visitor or resident are not fully vaccinated
4. Visitors can leave the facility and come back. If they still have their green visitor sticker, they would not need to screen a second time. If that is gone or misplaced, they should screen again.
5. Visitors should stay in the resident’s room at all times, except when care services are performed by staff.
   a. Visitors should remain outside the resident’s door during cares and will not be allowed to be in other areas of the facility or neighborhood.
   b. Visitors may use the restroom on the neighborhood.
   c. If a visitor is outside of the resident room for any reason other than cares or bathroom, they will be asked to leave the facility.
   d. Visitors cannot go with residents to church or activities held in the neighborhood.
   e. Visitors cannot sit in the deli before/after their room visit.
6. Residents from combined neighborhood may visit with each other, wherever, as long as there is face covering, appropriate hand hygiene.
   a. If a resident has an outside visitor in the room, resident to resident visitation will not be allowed.
7. Quarantine and COVID-19 positive residents may have visitors
   a. PPE is encouraged
   b. See visitor education at visitor sign-in table
8. Doors will be locked after 7P.M. as they were prior to COVID-19. Anyone who wishes to visit at 7P.M. will need to call the floor nurse to let them in.
9. Outdoor visitation will take place off campus.
   a. Visitation between resident and family will not be allowed in courtyards or patios to prevent the possibility of close contacts.
10. Limit of 150 visitors per floor.
