

## PARENTAL CONSENT TO PARTICIPATE

This consent is required in order to provide condensed training for Cardiopulmonary Resuscitation (CPR) and Automated External Defibrillator (AED) skills to students in the K-12 school system under the age of 13 receiving a K-12 ecard. This Heartsaver Course is designed to teach lifesaving skills. Skills are taught by trained instructors using the American Heart Association's research-proven practice-while-watching technique, which allows participants to practice on a CPR training manikin while skills are demonstrated in the course video. This course is designed for those interested in learning how to save a life. Students under the age of 13 must provide an email address of one of their parents or their school email address to receive the Heartsaver K-12 Schools Course completion card. Ecards must be issued to students or faculty of the K-12 system participating in this course. A copy of the roster does not satisfy completion of the course.

I, the undersigned parent or legal guardian, hereby consent to my child, whose name is

\_\_\_\_\_ (print child's name) to participate in the Heartsaver training course

taught by Instructors of Avera Community Training Center. I hereby permit the Course completion card to be emailed to:

\_\_\_\_\_ Or \_\_\_\_\_  
*Parent email address* *Student email address*

I further release and hold harmless Avera Community Training Center, officers, employees and representatives from liability for injury that may result from participation in this activity.
