

## School of Radiologic Technology

- \_\_\_\_\_ Complete the health assessment form provided
  
- \_\_\_\_\_ **If** you have a known history of a POSITIVE TB test, you must provide a copy of chest x-ray within the last year and INH information if applicable. A TB blood test will be completed during the first week of school. Employee Health will provide lab slips.
  
- \_\_\_\_\_ Proof of an **adult** Tdap (tetanus, diphtheria, pertussis) vaccination since 2005  
(If you are pregnant, this is given during the third trimester.)
  
- \_\_\_\_\_ Proof of 2 complete MMR's (Measles, Mumps and Rubella) immunizations or proof of positive titers for measles, mumps and rubella. Must bring official documentation.
  
- \_\_\_\_\_ Proof of three Hepatitis B immunizations, proof of a positive titer or a signed Declination form. Must bring the official documentation.
  
- \_\_\_\_\_ Completed varicella questionnaire. If you have proof of a positive titer or vaccinations please bring the documentation. If you have not had chickenpox or are uncertain, you will need to get a titer done. If the titer is negative or NO history of Chicken pox, you are required to have proof of 2 Varivax immunizations.
  
- \_\_\_\_\_ Completed Particulate Respirator Medical Evaluation questionnaire, questions 1-9
  
- \_\_\_\_\_ Obtain a copy of a physical examination from within the last year. If you have not had a physical, please schedule one with your personal physician & have your PCP fill out the enclosed physical exam form.
  
- \_\_\_\_\_ Flu shots are required from October 1<sup>st</sup> through April 1<sup>st</sup> of each flu season.

If you have questions regarding any of these requirements, please call Tiffany Sehr, RN, Employee Health Office @ (605)322-7973 or email [Tiffany.Sehr@Avera.org](mailto:Tiffany.Sehr@Avera.org)
