ALSO LOOKING FOR ANY INDIVIDUALS WHO WOULD LIKE TO BE "ON-CALL" AND NOT HAVE A WEEKLY SCHEDULE. THESE INDIVIDUALS WILL COVER FOR ANY VOLUNTEER WHO CAN NOT COVER HIS/HER SHIFT DUE TO ILLNESS OR BEING OUT OF TOWN.

Job duties per location:

Cancer center: 1 volunteer is stationed at the front desk in the South East Lobby to meet and greet patients and visitors and direct them to different locations in the hospital. The other volunteer assists back in the Cancer Center. These duties consist of offering snacks, beverages and blankets to cancer patients, restocking the blanket warmer, stocking the coffee stations, escorting patients back to the infusion center, picking up dietary trays, cleaning chairs/beds after patient use. These 2 volunteers can alternate job duties throughout the shift

West Information Desk: Direct visitors to different areas of the hospital.

ICU: Sit at the volunteer desk in the ICU waiting room. As visitors come, you press a button to allow the visitors to unlock the door to visit the patient. This is a good station that allows you to study or read while volunteering.

Medical/Surgical Inpatient Floor: Sit at the volunteer desk by the elevator and waiting room. As visitors come, you greet visitors and direct them to the room they are locating. This is a good station that allows you to study or read while volunteering.

As a potential new volunteer, you are always welcome to shadow a volunteer for a couple of hours to determine if you enjoy a particular work station prior to committing to a certain volunteer location.
