

## PALS Precourse Preparation Checklist

To prepare for the course, you must:

- Complete a BLS for Healthcare Providers course to be able to perform high-quality CPR and use an AED according to the 2015 AHA Guidelines for CPR and ECC
- Review PALS Case Scenarios pgs 319-330 in the PALS Provider Manual
- Understand the PALS algorithms and flowcharts for the core cases in the PALS Provider Manual
- Complete the PALS Precourse Self-Assessment tests on PALS ECGs, Pharmacology, and Practice Applications (PALS Student Website). Bring in copy of certificate.
